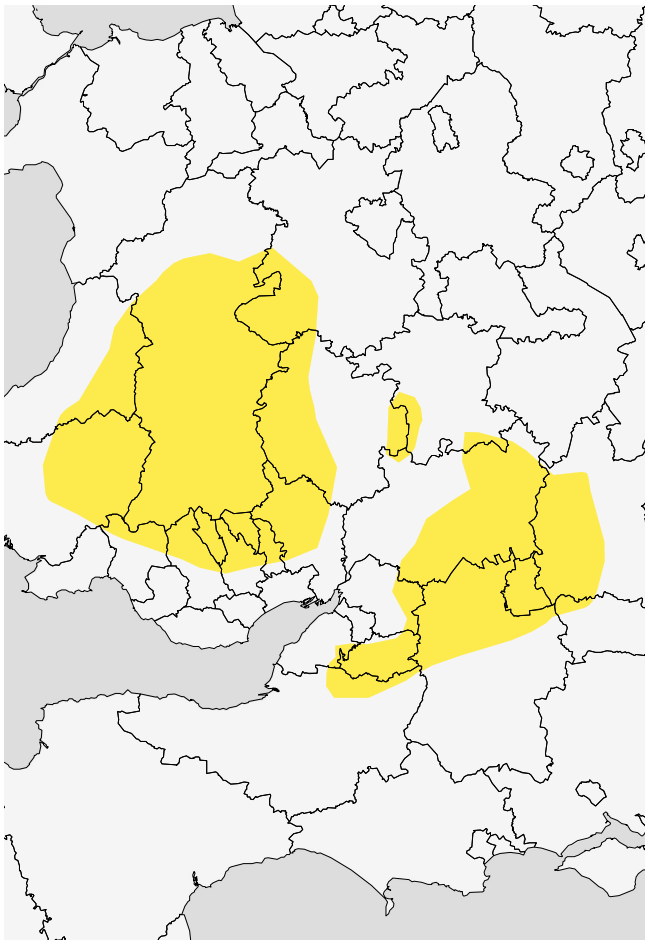
Yellow warning
Snow

Between
21:26 Wed 13 Nov 2019 and
10:00 Thu 14 Nov 2019



Some snow affecting higher roads in Wales and some western parts of England

What to expect

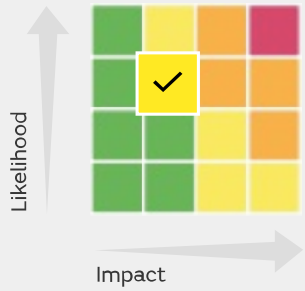
- Some roads and railways likely to be affected by lying snow, with longer journey times by road, bus and train

Further details

Mainly a mix of rain and sleet at lower levels, but with snow falling on hills above 100 to 200m. Some slushy snow settling on roads above 200-300 m, with a few cm possible on the highest routes.

Reason for update

Recent trends suggest that snow will be affecting some other hills in western England into the morning rush hour, in particular the Cotswolds.



Medium likelihood of low impacts
